Core Dental is thrilled to announce the upcoming opening of Core Dental Glenferrie, located at 827 Glenferrie Road, Hawthorn VIC 3122. Situated on the busy corner of Glenferrie Road and Barkers Road, this vibrant new practice is scheduled to open in June 2026 - marking Core Dental's exciting expansion into Melbourne's eastern suburbs.

Core Dental's First Eastern Suburbs Location

For years, patients in Hawthorn, Kew, Camberwell, and the surrounding inner-east suburbs have told us they want a Core Dental closer to home. We listened. Core Dental Glenferrie will be the group's first presence in Melbourne's eastern suburbs, bringing the same high standard of care that thousands of Melburnians have come to trust - Your Local Dental Practice - to one of the city's most dynamic retail and lifestyle precincts.

827 Glenferrie Road sits on the prominent corner of Glenferrie Road and Barkers Road, in the heart of Hawthorn's thriving shopping strip. With high foot traffic, excellent public transport connections, and a community-focused atmosphere, this is exactly the kind of location where Core Dental belongs.

A Practice Built from the Ground Up

Core Dental Glenferrie is currently undergoing a full renovation. Every aspect of the fit-out has been designed with patient comfort and clinical excellence in mind - from the layout of the three treatment surgeries to the reception area and waiting room. When the doors open in June 2026, patients will step into a modern, welcoming space built to deliver exceptional dental experiences.

The practice will feature three fully equipped surgeries and a team of dentists and specialists chosen specifically to serve the needs of the Hawthorn community.

Convenient Hours for Inner-East Lifestyles

Core Dental Glenferrie will operate with extended hours designed to fit around work, school, and family commitments:

- Monday to Friday: 8:00am - 6:00pm - Saturday: 8:30am - 1:30pm

Whether you prefer an early morning appointment before the commute, an after-work visit, or a Saturday slot, there will be a time that works for you.
