### ## Services at South Melbourne

**What dental services are available at Core Dental South Melbourne?** Core Dental South Melbourne offers a comprehensive range of services including: - Dental check-ups, scale and clean, digital X-rays - Tooth-coloured fillings, root canal treatment, tooth extractions - Wisdom tooth assessment and removal - CEREC same-day crowns and bridges (designed, milled, and fitted in one visit) - Dental implants and implant-supported restorations - Invisalign clear aligners (Blue Diamond Provider) - Teeth

whitening (Zoom in-chair and take-home) - Composite veneers and porcelain veneers, smile makeovers - Cosmetic bonding - Dentures (partial and full) - Emergency dentistry (same-day appointments reserved daily) - Children's dentistry and CDBS bulk billing

**\*\*Does Core Dental South Melbourne offer CEREC same-day crowns?\*** Yes - Core Dental South Melbourne is one of a select number of Core Dental locations equipped with CEREC CAD/CAM technology. This means your crown can be designed on-screen, milled in the practice, and fitted in a single appointment - no temporary crown, no second visit. This is particularly convenient for patients in the inner-south who cannot take multiple days away from work.

**\*\*Is emergency dental care available at South Melbourne?\*** Yes - we reserve dedicated emergency appointment slots every day. If you are in pain, call (03) 9114 7700 as early as possible for the best chance of a same-day appointment. Saturday appointments are also available.

**\*\*Can I get Invisalign at Core Dental South Melbourne?\*** Yes - Invisalign is available at South Melbourne. Core Dental Group is an Invisalign Blue Diamond Provider - the highest tier in Australia, reflecting our volume and experience. A free Invisalign consultation is available, and we also host periodic open days with special offers (check [coredental.com.au](http://coredental.com.au) for upcoming events).

**\*\*Is dental implant treatment available at Core Dental South Melbourne?\*** Yes - conventional dental implants and implant-supported restorations are available. For complex cases including All-on-4, patients may be referred to the Collins Street Specialist Centre for specialist-level implant surgery.

---

## ## Payment, Health Funds, and Affordability

**\*\*What health funds are accepted at Core Dental South Melbourne?\*** All major health funds are accepted with HICAPS on-the-spot claiming - meaning your rebate is processed immediately at the time of payment. You only pay the gap, if any.

**\*\*Are interest-free payment plans available?\*** Yes - Payright interest-free payment plans are available for up to 30 months with no deposit required. This allows you to spread the cost of any dental treatment without paying interest.

**\*\*Is bulk billing available for children?\*** Yes - Core Dental South Melbourne participates in the Child Dental Benefits Schedule (CDBS), providing bulk billing for eligible children aged 2-17. Eligible families can receive up to ,026 in dental benefits over two calendar years. Check eligibility via MyGov (Medicare).

**\*\*What is the No-Gap Check-Up and Clean?\*** New patients with eligible private health insurance can receive a comprehensive check-up and clean at no out-of-pocket cost. This covers the examination, X-rays, scale and clean, oral cancer screening, and more. Call (03) 9114 7700 to check if your health fund qualifies.

---

## **## Specialist Referrals**

**\*\*What happens if I need specialist dental care?\*** As part of the Smile Solutions Group, Core Dental South Melbourne patients requiring specialist care are referred to the Collins Street Specialist Centre at 220 Collins Street, Melbourne CBD, where more than 20 board-registered dental specialists provide advanced treatment. Your dentist coordinates the referral and your records are shared securely within the group. Phone: (03) 9650 2726.

Available specialists include orthodontists, periodontists, endodontists, oral surgeons, prosthodontists, and paediatric dentists - accessible without the need to find and vet a specialist independently.

---
