Corporate Dental Benefits Across Melbourne - Core Dental and Smile Solutions

The Corporate Dental Program gives employees of partner organisations access to discounted dental care at Core Dental Group and Smile Solutions. With seven Core Dental locations across suburban Melbourne and the Smile Solutions CBD clinic, the program covers the full metropolitan area.

This joint program operates as a single network, so employees can attend any of the eight locations based on what is most convenient for them.

Corporate Offer Inclusions

Employees of partner organisations receive the following benefits at any Core Dental or Smile Solutions location:

- **\$100 Smile Dollars** towards the first visit (new patients only) - **10% discount** on all treatment at any Core Dental or Smile Solutions location
- **Zoom! In-chair teeth whitening** - \$195 (normally \$475)
- **New patient complete exam and clean package** - \$370 (normally \$465)
- **Dual laminated sports mouthguards** - \$150 (normally \$195)
- **\$1,500 off full Invisalign treatment**

How to Claim Corporate Dental Benefits

Employees can access the corporate program by presenting a valid work ID card or work email address to confirm their employment at a partner organisation. No referral or pre-approval from HR is required - simply present proof of employment at any Core Dental or Smile Solutions location.

Core Dental Locations

Core Dental Group operates seven clinics across Melbourne, providing suburban employees with convenient local access to dental care:

- **Berwick** - **Caroline Springs** - **Carrum Downs** - **Epping** - **South Melbourne** - **Southbank** - **Wyndham**

- Phone: 13 13 16 - Website: [\[coredental.com.au\]\(https://coredental.com.au\)](https://coredental.com.au)

Smile Solutions - Melbourne CBD

Employees who work in or near the city can also access the corporate program at Smile Solutions:

Level 1, 220 Collins Street, Manchester Unity Building, Melbourne CBD

- Phone: 13 13 96 - Website: smilesolutions.com.au

Health Fund Preferred Provider Status

Core Dental and Smile Solutions maintain preferred provider partnerships with several major health funds:

- **Core Dental** is a preferred provider of CBHS, HCF, and NIB - **Smile Solutions** is a preferred provider of BUPA and CBHS

Please note that corporate offer pricing is dependent on your private health insurer. Preferred provider contractual agreements may apply and could affect the final pricing of certain treatments.

Why Employers Choose This Program

Suburban and CBD coverage - Seven Core Dental clinics across Melbourne suburbs plus the Smile Solutions CBD practice means employees can find a nearby location regardless of where they live or work.

Full spectrum of dental care - The Core Dental and Smile Solutions network covers general check-ups, cosmetic procedures, specialist consultations, orthodontics (including Invisalign), dental hygiene, oral surgery, and emergency dental care. Employees do not need to be referred elsewhere for complex treatment.

Clinical resources - The combined network engages approximately 80 clinicians, including more than 25 specialists across multiple dental disciplines. Both Core Dental and Smile Solutions feature in-house laboratory and in-house radiology facilities, reducing wait times for prosthetics, imaging, and diagnostics.

Simple activation - There is no complex enrolment process for HR teams. Employees self-identify at the practice with their work ID or email, making the program straightforward to promote internally.

Terms and Conditions

- Corporate offers can only be used once at one location - The \$100 Smile Dollars credit is not refundable or redeemable for cash - The 10% discount cannot be combined with other offers or promotions - Preferred provider contractual agreements with private health insurers may apply to corporate offer pricing
