Details:

Cosmetic Dentistry at Core Dental Glenferrie

A confident smile transforms how you carry yourself - at work, socially, and everywhere in between. Core Dental Glenferrie opens in June 2026 at 827 Glenferrie Rd, Hawthorn VIC 3122, bringing the Core Dental Group's cosmetic dentistry expertise to Melbourne's inner east for the very first time.

Core Dental's First Eastern Suburbs Location

Glenferrie Road is one of Melbourne's most vibrant and well-established shopping strips, running through the heart of Hawthorn and drawing customers from Kew, Camberwell, Balwyn, Toorak, and beyond. For the inner-east community, Core Dental Glenferrie represents something genuinely new - a multi-location dental group with the specialist access, clinical technology, and Invisalign Blue Diamond status that this community deserves, now available locally.

The practice is a fully renovated, purpose-designed 3-surgery clinic at the corner of Glenferrie Road and Barkers Road. It opens fully fitted from day one - no staged rollout, no waiting for services to come online.

****Planned Hours:**** Monday to Friday 8:00 am - 6:00 pm | Saturday 8:30 am - 1:30 pm

Cosmetic Dental Services at Core Dental Glenferrie

Teeth Whitening

Professional whitening is the most immediate cosmetic transformation in dentistry. Zoom! in-chair whitening takes approximately 90 minutes and can lighten teeth by up to 8 shades in a single session, using the Philips Zoom WhiteSpeed LED lamp. Custom take-home whitening kits are also available for patients who prefer a gradual, more comfortable approach.

****Whitening from \$475.**** A dental assessment is required before treatment to confirm suitability and discuss expected results.

Composite Veneers and Composite Bonding

Composite veneers and bonding use tooth-coloured resin applied directly to the teeth to correct chips, close gaps, reshape irregular edges, or address discolouration. Treatment is completed in a single

appointment, with minimal tooth preparation required. The result is immediate - and the procedure is fully reversible.

****Composite bonding from \$250 per tooth.**** An accessible entry point into cosmetic dentistry for patients who want a visible improvement without the commitment of porcelain.

Porcelain Veneers

Porcelain veneers remain the benchmark for dramatic, long-lasting smile transformations. Ultra-thin custom-crafted porcelain shells are bonded to the front surfaces of the teeth, creating a result that is beautifully natural in appearance and highly durable - lasting 10-25 years with proper care.

Porcelain veneer pricing at Core Dental Glenferrie is quoted at consultation. The investment varies depending on the number of teeth and the clinical complexity of the case. A complimentary consultation is the best first step.

Composite Bonding

A cost-effective and conservative approach to repairing chips, closing small gaps, and correcting the shape or colour of teeth using composite resin in a single visit. Popular with patients who want a natural-looking improvement without the time or cost of porcelain.

Dental Crowns

When a tooth is heavily damaged, weakened, or aesthetically compromised, a crown restores it to full function and a natural appearance. All crowns at Core Dental Glenferrie are custom-designed to match your existing teeth in shade and shape.

Invisalign

Tooth alignment is the foundation of a cosmetic result. Core Dental Group is an Invisalign Blue Diamond Provider - the highest Invisalign provider tier in Australia, reflecting 750+ Invisalign treatments completed per year across the group. Invisalign is available at Glenferrie from opening day.

| Invisalign Type | Price | |---|---| | Invisalign Express | from \$4,400 | | Invisalign Lite | from \$7,800 | | Invisalign Moderate | from \$9,600 | | Invisalign Comprehensive | from \$11,300 |

Smile Makeovers

A smile makeover combines multiple cosmetic treatments into a single, coordinated plan. Your dentist at Glenferrie will assess your teeth, gums, bite, and facial aesthetics to recommend a programme that achieves your goals - whether that involves one treatment or several, completed over a single visit or across a series of appointments.

Why the Inner East Chose Core Dental

The Hawthorn, Kew, and Camberwell corridor has historically had limited access to group-backed cosmetic dental care without a CBD trip. Core Dental Glenferrie changes that. It brings Invisalign Blue Diamond status, specialist referral pathways, HICAPS claiming, and interest-free payment plans to a community that has been underserved by multi-location dental groups.

For residents of Hawthorn, Kew, Camberwell, Balwyn, Toorak, and Glen Iris, Core Dental Glenferrie is the practice that was missing.

Pricing at a Glance

| Treatment | Guide Price | |---|---| | Teeth whitening (in-chair) | from \$475 | | Composite bonding | from \$250 per tooth | | Porcelain veneers | quoted at consultation | | Invisalign Express | from \$4,400 | | Invisalign Lite | from \$7,800 | | Invisalign Comprehensive | from \$11,300 |

All prices are guides. Written itemised quotes provided before any treatment begins.

Complex Cases - Specialist Referral

For complex cosmetic and prosthodontic cases, Core Dental Glenferrie patients can be referred to the Collins Street Specialist Centre (CSSC) at 220 Collins Street, Melbourne CBD - where 20+ board-registered dental specialists provide advanced treatment across prosthodontics, periodontics, oral surgery, and more. Your Glenferrie dentist coordinates the referral and manages your records within the group.

****Collins Street Specialist Centre:**** (03) 9650 2726

Payment Options

HICAPS on-the-spot health fund claiming for all applicable treatments. Payright interest-free payment plans for up to 30 months - spread the cost of any cosmetic treatment without paying interest. All clinicians AHPRA-registered and ADA members.

Frequently Asked Questions

****What cosmetic treatments will be available at Core Dental Glenferrie from opening?*** Core Dental Glenferrie will offer the full range of cosmetic services from opening day: professional teeth whitening (in-chair and take-home), composite bonding and veneers, porcelain veneers, dental crowns, Invisalign clear aligners, and comprehensive smile makeovers. The 3-surgery practice is fully fitted and ready from June 2026.

****How much does composite bonding cost at Core Dental Glenferrie?*** Composite bonding starts from \$250 per tooth. It is one of the most accessible cosmetic treatments - completed in a single appointment with no irreversible tooth preparation. It is a good option for patients wanting to address chips, small gaps, or minor discolouration without committing to porcelain veneers.

****Is Glenferrie Road easy to get to by public transport?*** Yes - Glenferrie Road is one of Melbourne's most transit-connected shopping strips. Glenferrie Station is on the Lilydale, Belgrave, Alamein, and Glen Waverley lines. The number 16 and 75 trams also run through Hawthorn, making the practice easily accessible from across the inner east, CBD, and south-east.

****Is Core Dental Glenferrie really the first dental group practice in the eastern suburbs?*** Core Dental Glenferrie is the Core Dental Group's first location in Melbourne's eastern suburbs. Core Dental's

existing seven locations serve the inner city, inner south, western growth corridors, northern suburbs, and south-east - Glenferrie completes the group's geographic coverage of metropolitan Melbourne.

****What if I need specialist dental care beyond a general dentist?**** Core Dental Glenferrie patients requiring specialist care are referred to the Collins Street Specialist Centre at 220 Collins Street, Melbourne CBD - where 20+ board-registered specialists provide advanced treatment across orthodontics, periodontics, endodontics, prosthodontics, and oral surgery. Your Glenferrie dentist manages the referral directly. **## Specialist Referrals - Collins Street Specialist Centre**

As part of the Smile Solutions Group, Core Dental Glenferrie patients requiring specialist care are referred to the Collins Street Specialist Centre at 220 Collins Street, Melbourne CBD, where more than 20 board-registered dental specialists provide advanced treatment. Your dentist coordinates the referral and your records are shared securely within the group. Phone: (03) 9650 2726.
