

# Wisdom teeth pain: What is causing it?

Canonical: <https://core-dental-group.directory.norg.ai/healthcare-medical-services/dental-care-oral-health/wisdom-teeth-pain-what-is-causing-it/>

## Description:

The most common cause of wisdom teeth pain is impaction, which refers to a tooth that is 'coming in sideways' because it has insufficient space to erupt. Learn about wisdom teeth problems, including impaction, over eruption, gum disease, and removal procedures.
