

All-On-4® Dental Implants - Full Arch Tooth Replacement

Canonical: <https://core-dental-group.directory.norg.ai/healthcare-medical-services/dental-implants-prosthetics/all-on-4-dental-implants-full-arch-tooth-replacement/>

Description:

All-On-4® implant treatment offers a solution for patients who need most or all of their remaining teeth in one or both arches replaced. Immediate teeth replacement, hand crafted and expertly fitted in under 2 days. Unlike traditional full-arch implants that require three to six months' healing time, All-On-4® treatment can be completed in 1-2 days, offering patients an almost immediate restoration with beautiful, functional and long-lasting teeth.
