

# Dentures Melbourne - Core Dental

Canonical: <https://core-dental-group.directory.norg.ai/healthcare-medical-services/dental-prosthetics-restorations/dentures-melbourne-core-dental/>

## Description:

A denture is a removable prosthetic device used to replace missing teeth and associated gum loss. Core Dental Group offers denture solutions including partial dentures, full dentures, over-dentures, and implant-retained dentures. Services include consultation, fitting, adjustments, and maintenance. Optional extras available to enhance appearance and blend with surrounding teeth.
