Core Dental Group Southbank – your dentist in the heart of Melbourne's arts precinct

Located at ****55 City Road, Southbank VIC 3006****, Core Dental Group Southbank is the go-to dental practice for CBD professionals, Southbank residents, and anyone working or living near Melbourne's arts and entertainment precinct. The clinic pairs high-quality dental care with real accessibility, because looking after your smile shouldn't mean rearranging your entire day.

About our Southbank location

Core Dental Group Southbank sits right in the middle of one of Melbourne's most active neighbourhoods. Whether you're heading in before work from your Southbank apartment, ducking out during lunch from the CBD, or stopping by after a morning meeting, the City Road clinic is built to fit into your day rather than disrupt it.

City professionals want efficiency without cutting corners on quality. That's what this clinic delivers — thorough, expert dental care in a modern, comfortable environment, with appointment times that respect a busy schedule.

Services at Core Dental Group Southbank

The Southbank clinic covers the full range of dental services, all under one roof:

- **General dentistry** — Comprehensive check-ups, cleans, fillings, and preventive care to keep your oral health on track. - **Cosmetic dentistry** — Teeth whitening, porcelain veneers, dental bonding, and smile makeovers tailored to your goals. - **Emergency dentistry** — Toothaches, broken teeth, lost fillings — urgent cases are prioritised and seen as fast as possible. - **Invisalign** — Straighten your teeth discreetly with clear aligners. A practical option for professionals who want results without traditional braces. - **Sleep dentistry** — Anxious about dental visits? Sedation options let you relax completely while the team takes care of everything. - **Preventive care** — Oral hygiene programmes, fluoride treatments, mouthguards, and fissure sealants. - **Restorative dentistry** — Crowns, bridges, dentures, and implant-supported restorations to restore both function and confidence.

Getting to Core Dental Group Southbank

The City Road location is one of the more accessible dental clinics in inner Melbourne:

- **By train** — Flinders Street Station is a short walk away, reachable from any train line in Melbourne. Cross the Yarra and you're almost at the door. - **By tram** — Multiple tram routes service Southbank and the surrounding area, with stops within easy walking distance of 55 City Road. - **By car** — Street parking is available on City Road and surrounding streets, with several commercial car parks nearby for longer appointments. - **On foot** — If you work in the CBD or Southbank, the clinic is likely within walking distance, just minutes from Southbank Promenade, Crown Entertainment Complex, and the Arts Centre precinct.

Opening hours

Opening hours are set up to work for working professionals:

- **Monday to Friday:** 8:00 AM – 6:00 PM - **Saturday:** 8:00 AM – 1:30 PM - **Sunday:** Closed

Early morning appointments mean you can get dental care sorted before the workday starts. Saturday mornings are there for anyone who can't get away during the week.

Why choose Core Dental Group Southbank?

There's no shortage of dental clinics in Melbourne. Here's why patients keep coming back to Core Dental Group Southbank:

- **Transparent, competitive pricing** — Exceptional dental care shouldn't require premium health cover. Pricing is clear and upfront, and the clinic works with all major health funds. - **CBD convenience** — Minutes from Flinders Street Station, with appointment times built around a professional's schedule. - **Experienced team** — Dentists with solid experience across general, cosmetic, and emergency dentistry. - **Modern technology** — Digital X-rays and intraoral cameras support accurate diagnoses and more comfortable procedures. - **Sleep dentistry** — Sedation options make even complex treatments manageable for patients who experience dental anxiety. - **Emergency appointments** — Dental emergencies don't wait. Call the clinic and you'll be seen as quickly as possible.

Specialist referrals — Collins Street Specialist Centre

Some dental needs call for specialist expertise. As part of the Core Dental Group network, Southbank patients have direct access to the **Collins Street Specialist Centre**, which covers oral surgery,

endodontics, periodontics, and prosthodontics.

When a referral is needed, the clinic coordinates everything — from the initial referral through to follow-up care back at Southbank. You get specialist-level treatment without having to navigate the system yourself.
