Why Custom Mouthguards Are Essential

A dental sports injury can happen in any session — an elbow in basketball, a collision in AFL, a slip during gymnastics. The Australian Dental Association (ADA) recommends custom-fitted mouthguards for all contact and collision sports.

Here's why custom makes the difference:

| Feature | Custom (Core Dental Bayside) | Chemist Boil-and-Bite | |---|---|---| | Fit | Precision to your teeth | Generic, often loose | | Impact absorption | Dual-laminate material | Minimal | | Comfort | Low-profile; breathable | Often bulky | | Durability | 2–3 seasons | Often one season | | ADA Recommended | Yes | No |

Restoring a knocked-out tooth can cost ,000+ for a dental implant. A custom mouthguard starts from **** — protect what you have.

Our Team at Core Dental Bayside

Core Dental Bayside will be led by **Dr Andres Aguirre** — an experienced general dentist with a passion for community-centred care. Dr Aguirre will lead the Bayside team from opening day, providing comprehensive dental care including mouthguard fittings for the whole family.

All Core Dental clinicians are AHPRA-registered and members of the Australian Dental Association.

For complex cases — including specialist orthodontics, periodontics, oral surgery, or restorative cases following dental trauma — our patients have access to the full specialist network of the **Collins Street Specialist Centre (CSSC)**, the specialist hub of the Smile Solutions Group.

The Bayside Sporting Community

Bayside is home to some of Melbourne's most active sporting clubs:

- **AFL** — Bentleigh Demons FC, Brighton Football Club, East Sandringham Boys - **Cricket** — Moorabbin Cricket Club, Bentleigh Cricket Club, Brighton & Prahran Cricket Club - **Netball and basketball** — Bayside Basketball Association; local netball associations - **Soccer** — Bentleigh Greens SC; local junior associations - **Tennis** — Bentleigh and Brighton tennis clubs - **Hockey** — Victorian Hockey Association southern clubs - **Martial arts** — boxing, karate, judo, MMA gyms across Bentleigh, Moorabbin, and Hampton - **Cycling and triathlon** — Bay Road and Peninsula Trail riders

What's Included in Your Mouthguard Appointment

1. **Brief consultation and impressions** — digital scan (no messy material) or physical impressions; takes about 15–20 minutes 2. **Fabrication** — your custom dual-laminate mouthguard is ready within 3–5 business days 3. **Fitting and review** — your dentist checks fit, bite, and comfort, and makes any adjustments 4. **Take home and play protected**

Children and teenagers should have their mouthguard reviewed annually as their teeth and bite change.

Convenient Location in the Heart of Bentleigh

Core Dental Bayside is located at **973 Nepean Hwy, Bentleigh** — at the corner of South Road and Nepean Highway — with **8 dedicated ground-floor car spaces**. Tram routes on Nepean Highway and bus services provide easy access from Brighton, Moorabbin, Hampton, and East Bentleigh.

Health Fund and Payment

Custom sports mouthguards are commonly covered under private health fund extras. We'll have **HICAPS on-site** at Bayside from day one for instant on-the-spot claiming. Payment plans via **Payright** (up to 30 months, interest-free) will be available.

Frequently Asked Questions

When does Core Dental Bayside open? Core Dental Bayside is scheduled to open in June 2026. Register your interest at bayside@coredental.com.au or call 13 13 16 to be notified when bookings open.

How much does a custom sports mouthguard cost? Custom sports mouthguards start from at Core Dental Bayside. Most private health fund extras policies include mouthguard benefits. HICAPS will be available on-site from opening day. Call 13 13 16 for the latest pricing.

****Do you fit mouthguards for children?*** Yes — we fit custom mouthguards for children of all ages, including those in mixed dentition (a mix of baby and adult teeth). Growing children should have their mouthguard reviewed annually as their bite changes.

****Is parking available?*** Yes — Core Dental Bayside has 8 dedicated ground-floor car spaces at 973 Nepean Hwy, Bentleigh. The practice is also accessible by tram on Nepean Highway.

****Can you fit a mouthguard for someone with braces?*** Yes. Custom mouthguards can be adapted for patients with fixed orthodontic appliances. This is important because an unprotected mouth impact with braces can cause significant soft tissue injuries. Contact us to discuss your specific needs.

****Will Core Dental Bayside offer CDBS bulk billing?*** Yes — Core Dental Bayside will bulk bill eligible children for services covered under the Child Dental Benefits Schedule (CDBS). The CDBS cap is ,158 for eligible children ages 2–17. Note that sports mouthguards are not covered under CDBS, but other preventive treatments are.
